greenity Aklea CALIDAD y EXCELENCIA

Serenity. A setting that conveys peace, and where tranquillity emerges from the harmony between nature, sunlight and sea. At **Greenity**, this sense is shaped by the Mediterranean woodland, a serene landscape that evolves with the seasons, offering depth and privacy, as well as **a constant connection to the natural environment**. A setting that invites a slower pace, reconnecting with nature and embracing calm and wellbeing.

Living at **Greenity** means enjoying a strategic location on the Costa del Sol, where residential tranquillity is combined with excellent connections and a full range of services. Situated between La Cala de Mijas and Fuengirola, the development offers easy access to the main coastal hubs while maintaining a balanced and pleasant setting for everyday living.

Location and connectivity

- Quick access to the A-7 and AP-7, making travel to Marbella, Málaga and other key points along the coast effortless.
- Close to Fuengirola, with a wide range of shops, healthcare facilities, schools and services.
- Proximity to Málaga's International Airport, ideal for frequent travellers or hosting visitors.

Mediterranean lifestyle

- Just minutes from the beaches of Mijas Costa and Fuengirola.
- Seafront promenades, ideal for walking, exercising or enjoying the sunset.
- A bright and relaxed atmosphere characteristic of the Costa del Sol.
- A wide gastronomic offering, with Mediterranean cuisine and international dining options.

A setting that inspires an active lifestyle

- Nearby golf courses that reinforce the area's active and exclusive character.
- A wide range of outdoor activities, water sports and scenic routes to enjoy nature.
- Sports clubs, shops and a vibrant social scene that enrich everyday living.

Greenity brings together nature, sunshine and connectivity, making life on the Costa del Sol a truly unique experience.
